Informed Consent for Research Participation

Please review the information below and indicate your understanding and voluntary agreement to participate in this study. This is a study to understand how you feel about two Minecraft mods you have played. You can access the mods (https://drive.google.com/drive/folders/1T33FUhm2JySQTQNKl2xDci2QkhzG2Yt0?usp=sharing). We will ask you to answer some questions about the mods you played in the survey. We will analyze the data to determine which mod you liked and why.
The benefits of our study is that we will understand what kinds of mods that minecrafts players like. There is minimal risk to you as a player. You might not like the mods or you might play too much on minecraft. The survey might take 5-10 minutes of your time.

CONFIDENTIALITY

The information in the study records will be kept confidential. Data will be stored securely and will be made available only to persons conducting the study. No reference will be made in oral or written reports which could link you to the study. No identifiers (name, age, etc.) will be disclosed to anyone, and all information will be destroyed at the completion of the study.

CONTACT
